Mr. J. K. Mansfield
Staff Director, Subcommittee on
National Policy Machinery
Committee on Government Operations
United States Senate
Washington 25, D. C.

Dear Ken:

It was most thoughtful of Senator Jackson to ask you to send me an advance copy of the interim staff report of the Subcommittee on National Policy Machinery.

I have glanced through it and it appears most interesting. Certainly I shall study it in considerable detail.

Thank you for forwarding this report and I shall be in touch with you in the near future.

Sincerely,

WJW
